Deadline for manuscript
submissions:

31 December 2021

Message from the Guest Editor

This Special Issue looks for outstanding research and development results, case studies, and review papers in topics that include but are not limited to the following:

- Efficiency of solar energy systems;
- Recent development and application of photovoltaic (PV), photovoltaic/thermal (PVT), building integrated photovoltaic and photovoltaic/thermal (BIPV, BIPVT);
- Recent development and application of solar cooling;
- Integration of solar energy into existing and retrofitted buildings;
- Dual or multi-source heat pumps systems;
- Integration of solar energy into existing power grids and future smart grids;
- Integration of solar energy into demand-response schemes;
- Synergies between solar energy, electric vehicles, thermal/electric energy storage, water storage/management, and energy-efficient buildings;
- Environmental impact of solar energy systems integrated in buildings.

an Open Access Journal by MDPI

Applied Science, University of
Ontario Institute of Technology,
Oshawa, ON L1G 0C5, Canada

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer-reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Author Benefits

Open Access:— free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

High visibility: indexed within [Scopus](#), [SCIE](#) and [SSCI \(Web of Science\)](#), [GEOBASE](#), [Inspec](#), [AGRIS](#), [RePEc](#), [CAPlus / SciFinder](#), and many [other databases](#).

Journal Rank: [JCR](#) - Q2 (*Environmental Sciences*) / [CiteScore](#) - Q1 (*Geography, Planning and Development*)
