### Message from the Guest Editor

With this Special Issue, *Sustainable Development Goals in Tertiary Education for Sustainability*, we aim to promote the exchange of research on education experience and insights in this important field of knowledge on a global scale. We invite theoretical and research-based contributions, case studies, and critical views on the practice competence-building in higher education regarding Agenda 2030, on a local, regional, or global scale.

This Issue, with a selection of papers focusing on *Sustainable Development Goals in Tertiary Education for Sustainability*, will strongly contribute to existing experience and knowledge. Therefore, I encourage you to submit articles and contribute to this Special Issue of *Sustainability*.
