Message from the Guest Editors

The studies of this Special Issue are expected to address:

- The development of new retail concepts and shopping spaces and their implications for the resilience of urban retail systems
- The theoretical discussion and measurement of spatial vulnerability and resilience of retail centres
- The digital challenge for the high street resilience
- The relationship between sustainability, shopping travel, and retail policy and planning.
- The critical analysis of retail-led regeneration schemes in the enhancement of urban liveability and the development of sustainable lifestyles
- The evaluation of the strengths and weaknesses of retail-led regeneration projects for the competitiveness of cities throughout the urban hierarchy.
- Opportunities and threats of gentrification to the reinvention of retail concepts and shopping districts

Keywords

- retail resilience
- retail policy and planning
- retail-led urban regeneration
- retail gentrification
- urban governance
- urban sustainability
- assessment methods

an Open Access Journal by MDPI

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Author Benefits

Open Access: free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

High Visibility: indexed within [Scopus](#), [SCIE](#) and [SSCI \(Web of Science\)](#), [GEOBASE](#), [GeoRef](#), [Inspec](#), [RePEc](#), [CAPus](#) / [SciFinder](#), and [other databases](#).

Journal Rank: JCR - Q2 (Environmental Studies) / CiteScore - Q1 (Geography, Planning and Development)
