Message from the Guest Editors

The studies of this Special Issue are expected to address:

- The development of new retail concepts and shopping spaces and their implications for the resilience of urban retail systems
- The theoretical discussion and measurement of spatial vulnerability and resilience of retail centres
- The digital challenge for the high street resilience
- The relationship between sustainability, shopping travel, and retail policy and planning.
- The critical analysis of retail-led regeneration schemes in the enhancement of urban liveability and the development of sustainable lifestyles
- The evaluation of the strengths and weaknesses of retail-led regeneration projects for the competitiveness of cities throughout the urban hierarchy.
- Opportunities and threats of gentrification to the reinvention of retail concepts and shopping districts

Keywords

- retail resilience
- retail policy and planning
- retail- led urban regeneration
- retail gentrification
- urban governance
- urban sustainability
- assessment methods

an Open Access Journal by MDPI

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Author Benefits

Open Access: free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

High Visibility: indexed within [Scopus](#), [SCIE](#) and [SSCI \(Web of Science\)](#), [GEOBASE](#), [GeoRef](#), [Inspec](#), [RePEc](#), [CAPlus / SciFinder](#), and [other databases](#).

Journal Rank: JCR - Q2 (Environmental Studies) / CiteScore - Q1 (Geography, Planning and Development)
