

Special Issue

Sustainable Supply Chain Management and Green Product Development

Message from the Guest Editors

We invite authors to submit original research papers on topics including the following:

- Sustainable Supply Chain Design: Designing eco-efficient and resilient supply chains;
- Green Manufacturing Processes: Reducing emissions and waste in manufacturing processes;
- Life Cycle Assessment (LCA) in Supply Chains: Evaluating environmental impacts throughout product lifecycles;
- Circular Economy Practices: Implementing resource reuse and recycling in supply chains;
- Eco-friendly Product Design: Creating products with minimal environmental impact;
- Sustainable Procurement: Sourcing materials sustainably to support eco-friendly goals;
- Renewable Energy Integration: Incorporating renewable energy in supply chain operations;
- Technology and Innovation for Green Products: Developing new technologies for sustainable products.

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Steve W. Lyon

School of Environment and Natural Resources, Ohio State University,
Columbus, OH 43210, USA

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, RePEc, CAPlus / SciFinder, and other databases.

Journal Rank:

JCR - Q2 (Environmental Studies) / CiteScore - Q1 (Geography, Planning and Development)
