

## Special Issue

# Exploring the Relationship Between Authenticity and Wellbeing in Heritage Tourism

### Message from the Guest Editor

This call is open to multifaceted and multidisciplinary research initiatives, and the intent is to feature both case study-specific and theoretical research papers, that are based on (but not limited to) the following themes:

- Heritage tourism and wellbeing;
- Existentialist authenticity and eudaimonic wellbeing;
- Nostalgia, authenticity, and wellbeing;
- Theoplicity, sustainability, and wellbeing;
- Intangible heritage and place attachment;
- Role of authenticity perceptions in enhancing wellbeing of guests and hosts;
- Developing authentic heritage trails to promote wellbeing;
- Cultural distance experiences and their impact on wellbeing of guests and hosts;
- Authentic heritage systems and wellbeing;
- Authenticity of personified eco-cultural landscapes;
- Authentication processes in heritage tourism and their impact on wellbeing;
- Immersive indigenous tourism experiences and wellbeing;
- Promoting wellbeing through the authentic marketing of heritage tourism.

## About the Journal

### Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.
