Special Issue

Sustainable Transportation and Logistics Optimization

Message from the Guest Editors

We welcome research contributions addressing the following topics:

- Optimization methods for buses, ridesharing vehicles, and dispatching strategies;
- Site selection for electric-bus charging facilities;
- Energy management and optimization techniques for electric vehicles;
- Environmental factors associated with electric vehicles;
- Safety considerations for electric vehicle travel;
- The application of big data in bus planning and scheduling;
- The modeling and analysis of urban public transport and shared mobility networks:
- The sustainable management of transportation and logistics;
- Strategies for coordinating electric vehicles with other vehicles within the public transport system;
- Behavioral analyses of electric-vehicle users;
- Sustainable transportation and logistics network optimization methodologies.

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Steve W. Lyon

School of Environment and Natural Resources, Ohio State University, Columbus, OH 43210, USA

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, RePEc, CAPlus / SciFinder, and other databases.

Journal Rank:

JCR - Q2 (Environmental Studies) / CiteScore - Q1 (Geography, Planning and Development)
