

## Special Issue

# Sustainable Rural Development and Agricultural Economic Transformation

### Message from the Guest Editors

The purpose of the Special Issue is to facilitate discussions on strategic approaches, challenges and opportunities in sustainable rural development and agricultural economy transformation. Economic security and sustainability are the biggest challenges in the crisis-hit world. All contributions related to social innovation and regional rural development, circular economy, present and future policy of agriculture and rural development, food safety and security, ecological and precision farming, bioenergy and environmental biosystems are welcomed.
