

Special Issue

Sustainable Rural Development and Agricultural Economic Transformation

Message from the Guest Editors

The purpose of the Special Issue is to facilitate discussions on strategic approaches, challenges and opportunities in sustainable rural development and agricultural economy transformation. Economic security and sustainability are the biggest challenges in the crisis-hit world. All contributions related to social innovation and regional rural development, circular economy, present and future policy of agriculture and rural development, food safety and security, ecological and precision farming, bioenergy and environmental biosystems are welcomed.

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.
