# **Special Issue**

# Artificial Intelligence and IoT for the Sustainable Development

# Message from the Guest Editor

This Special Issue and call for conference papers invites researchers, practitioners, and policymakers to contribute their innovative works that are at the forefront of leveraging Al and IoT for sustainable development. Potential topics include, but are not limited to:

- Al-driven solutions for environmental monitoring and management;
- IoT-enabled smart city and infrastructure development;
- Al and IoT for renewable energy optimization;
- Data analytics and machine learning for resource conservation;
- IoT-based agriculture and food security for sustainability;
- Sensors, networks, and AI for climate change mitigation;
- Al-driven circular economy;
- Ethical, privacy, and security challenges pertaining to Al and IoT for sustainability;
- Case studies and deployment experiences in sustainable development projects;
- Policy frameworks and governance for Al and IoT applications in sustainability;
- Al-driven Sustainable Development Goals.

# **About the Journal**

# Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

## Editor-in-Chief

Prof. Dr. Steve W. Lyon

School of Environment and Natural Resources, Ohio State University, Columbus, OH 43210, USA

### **Author Benefits**

# Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

# **High Visibility:**

indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, RePEc, CAPlus / SciFinder, and other databases.

### Journal Rank:

JCR - Q2 (Environmental Studies) / CiteScore - Q1 (Geography, Planning and Development)
