

Special Issue

Sustainable and Innovative Green Economy

Message from the Guest Editors

I would like to bring your attention to the following call for papers for the Special Issue, denominated “Sustainable and Innovative Green Economy”, which seeks contributions related to the promotion of strategies to achieve sustainable development and green economy through innovation, in an Open Access journal published by MDPI.

This Special Issue seeks to publish papers on innovation and green economy, showing the role of sustainable development. We would be grateful if you would consider submitting a research paper or a review article on any issue related to this topic.

In this Special Issue, original research articles and reviews are welcome. Research areas may include (but are not limited to) the following:

Sustainability;
Green economy;
Clean technologies;
Social responsibility;
Green innovation;
Carbon markets;
Climate change;
Environmental process;
Green market;
Green finances;
Related topics.

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief
