

Special Issue

The Role of Small and Medium Enterprises in Realizing the Sustainable Development Goals

Message from the Guest Editors

This Special Issue aims to expand the literature on conceptual models, pragmatic experiences and reviews about SMEs-related strategies to accomplish the Sustainable Development Goals (SDGs). We hope to invite sustainability scholars and practitioners to submit their high-quality papers to this Special Issue. We particularly welcome submissions from institutions located in the Global South or other institutions worldwide focusing on the role of SMEs in the Global South. Research areas may include (but are not limited to) the following: Energy efficiency; Climate change; Higher education institutions and partnership with SMEs; Sustainability reporting; Industry 4.0 and SMEs; Sustainable finance; Innovation and SMEs; Sustainable development goals; Circular economy; Corporate social responsibility.

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Marc A. Rosen

Faculty of Engineering and Applied Science, University of Ontario
Institute of Technology, Oshawa, ON L1G 0C5, Canada
