Advancing Sustainable Green Buildings and Cities: Innovations in Design and Technologies for Energy Efficiency

Message from the Guest Editors

Special Issue "Advancing Sustainable Green Buildings and Cities: Innovations in Design and Technologies for Energy Efficiency" focuses on recent advancements in sustainable design and technologies that enhance energy efficiency in urban environments. Its purpose is to provide an interdisciplinary platform for exploring how innovations in architecture, construction, and smart technologies can reduce environmental impacts and improve urban living standards. By addressing the growing global demand for green buildings and cities, this Special Issue aims to showcase practical, scalable solutions for achieving energy efficiency in diverse contexts, as well as contributing to the existing literature by highlighting recent technological and design breakthroughs that have not been extensively covered in earlier works.

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Marc A. Rosen

Faculty of Engineering and Applied Science, University of Ontario
Institute of Technology, Oshawa, ON L1G 0C5, Canada

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, RePEc, CAPIus / SciFinder, and other databases.

Journal Rank:

JCR - Q2 (Environmental Studies) / CiteScore - Q1
(Geography, Planning and Development)
