

Special Issue

Research Methodologies for Sustainable Tourism

Message from the Guest Editor

For this Special Issue, original research articles and reviews are welcome. Research areas may include (but are not limited to) the following:

- Research designs for sustainable events,
- Research designs for sustainable destinations,
- Research designs for sustainable hotels,
- Research designs for sustainable transportation,
- Research designs for sustainable restaurants,
- Research designs for sustainable travel agencies.

I look forward to receiving your contributions in the field of quantitative and qualitative research methodologies for researching sustainable tourism.

Guest Editor

Dr. Eva Podovšovnik

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Marc A. Rosen

Faculty of Engineering and Applied Science, University of Ontario
Institute of Technology, Oshawa, ON L1G 0C5, Canada
