

Special Issue

Energy, Sustainable Transport and Electric Vehicles

Message from the Guest Editor

Energy and transportation systems are the driving force of modernization and economic development in the modern world. This Special Issue will investigate the current challenges and goals in the electric vehicle sector, including potential energy technologies, energy efficiency, energy storage, batteries technologies, battery thermal management, costs–benefits, life cycle assessment and related policies. Relevant areas include, but are not limited to, the following:

- Sustainable transport systems;
- Energy and transportation;
- Smart transport;
- Electric vehicles;
- Energy storage;
- Battery technologies;
- Thermal management of batteries;
- Battery cooling;
- Sustainable energy systems;
- Clean energy technologies;
- Energy efficiency;
- Energy policies;
- Total cost of ownership;
- Life cycle assessments.

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Steve W. Lyon

School of Environment and Natural Resources, Ohio State University,
Columbus, OH 43210, USA

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, RePEc, CAPlus / SciFinder, and other databases.

Journal Rank:

JCR - Q2 (Environmental Studies) / CiteScore - Q1
(Geography, Planning and Development)
