

## Special Issue

# Nurturing a Sustainable Hospitality Industry: Insights into Service Innovation and Organizational Behavior

### Message from the Guest Editors

We welcome contributions including but not limited to:

- Innovative approaches to sustainable hospitality strategies;
- The role of innovation in shaping human interactions with the environment;
- Service innovation and its impact on sustainable hospitality development;
- Service innovation and its implications for people, the planet, and society;
- Exploring the 6Ps (product, price, place, promotion, people, and process) in the context of hospitality innovation;
- Preserving place heritage through service innovation;
- Utilizing service innovation for effective place branding;
- Public and brand engagement in promoting innovative sustainable hospitality practices;
- Applying innovative life cycle thinking and circular economy principles in the hospitality sector;
- Innovative approaches to waste management in hospitality;
- Exploring the connection between innovation and well-being in the hospitality industry;
- Service innovation and its implications in the face of global change;
- Transitioning toward a low carbon economy through innovative practices...

## About the Journal

### Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.
