

## Special Issue

# Sustainable Tourism and Community Development

### Message from the Guest Editor

The aim of this Special Issue is to study sustainable tourism and community development from an international perspective and in an innovative way. This subject is aligned with the journal's scope to focus on integrating the environment, society, and economy, informing interdisciplinary research and education for sustainability. Topics of interest for this Special Issue include, but are not limited to, the following themes:

- Tourism cities and sustainable tourism;
- Urban tourism and sustainability;
- Mega events and sustainable tourism;
- Sport tourism and community development;
- Mountain/adventure tourism and sustainability;
- Tourism policy and sustainability;
- Global sustainable tourism criteria;
- Sustainable tourism and Sustainable Development Goals (SDGs);
- The future of sustainable tourism and community development;
- Entrepreneurship in tourism businesses and sustainable development;
- Sustainable tourism and local culture;
- Sustainable tourism education and curriculum development.

## About the Journal

### Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.
