

## Special Issue

# Sustainable Entrepreneurship and Strategic Management

### Message from the Guest Editors

We invite researchers, scholars, and practitioners to contribute to our Special Issue dedicated to investigating the characteristics of integrated entrepreneurship with a specific focus on sustainable entrepreneurship and strategic management. Key Themes: Harnessing innovation: delving into cutting-edge innovations that drive sustainability in entrepreneurship Ethical practices: examining the role of ethics in shaping sustainable entrepreneurial ventures and will analyze the impact of responsible business conduct on long-term success Circular economy principles: investigating circular economy strategies and their application in creating businesses that thrive in a rapidly changing market landscape Gender diversity in entrepreneurship fosters innovation and economic growth: focusing on how encouraging women and underrepresented groups to start businesses can create a more inclusive and dynamic entrepreneurial landscape Sustainable entrepreneurship and strategic management in the food industry: addressing how embracing eco-friendly practices, reducing waste, and sourcing local food businesses can not only thrive but also contribute to a healthier planet

## About the Journal

### Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.
