

Special Issue

Sustainable Entrepreneurship and Strategic Management

Message from the Guest Editors

We invite researchers, scholars, and practitioners to contribute to our Special Issue dedicated to investigating the characteristics of integrated entrepreneurship with a specific focus on sustainable entrepreneurship and strategic management. Key Themes: Harnessing innovation: delving into cutting-edge innovations that drive sustainability in entrepreneurship Ethical practices: examining the role of ethics in shaping sustainable entrepreneurial ventures and will analyze the impact of responsible business conduct on long-term success Circular economy principles: investigating circular economy strategies and their application in creating businesses that thrive in a rapidly changing market landscape Gender diversity in entrepreneurship fosters innovation and economic growth: focusing on how encouraging women and underrepresented groups to start businesses can create a more inclusive and dynamic entrepreneurial landscape Sustainable entrepreneurship and strategic management in the food industry: addressing how embracing eco-friendly practices, reducing waste, and sourcing local food businesses can not only thrive but also contribute to a healthier planet

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief
