

Special Issue

Sustainable Production of Renewable Bioenergy

Message from the Guest Editors

This Special Issue aims to fully understand the sustainability issues relevant to any bioenergy project, to measure where the trade-offs and challenges are, and to identify which issues are most important for determining overall sustainability. Original research articles and reviews are welcome. The topics include (but are not limited to): -Sustainability criteria for bioenergy; -Bioenergy production pathways; -Biodiesel; -Biogas; -Bioethanol; Biobutanol; -Bio-H₂; -Bioeconomy sustainability—development; -Bioenergy sustainability—natural systems and climate change; -Environmental sustainability and bioenergy issues; -Future of biomass and bioenergy deployment; -Biomass and bioenergy sustainability frameworks and certification; -Transportation networks and bioenergy plant locations; -Biomass to biofuel supply chain analysis; -Carbon capture...

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Steve W. Lyon

School of Environment and Natural Resources, Ohio State University,
Columbus, OH 43210, USA

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, RePEc, CAPlus / SciFinder, and other databases.

Journal Rank:

JCR - Q2 (Environmental Studies) / CiteScore - Q1
(Geography, Planning and Development)
