

Special Issue

Role of Agritourism Activity in Sustainable Rural Development

Message from the Guest Editors

This Special Issue aims to provide answers related to the agritourism field and focuses on original aspects intended to emphasize and exemplify the role of agritourism activity in ensuring sustainable rural development. We invite authors to publish original research/studies which discuss topics that may include but are not limited to:

- Rural development studies through agritourism activities;
- Innovative proposals for "branding" the rural environment with the help of agritourism activity;
- Sustainable ideas for promoting the rural environment through agritourism;
- Agritourism entrepreneurship and proposals for the profitability of local farms through this activity;
- Agritourism—a means/possibility of reducing rural environment disparities;
- Capitalization topics of the resources from the rural community through agritourism;
- The impact of agritourism on the rural environment.

Guest Editors

Prof. Dr. Tiberiu Iancu

Prof. Dr. Gabriela Popescu

Dr. Tabita Cornelia Adamov

Dr. Mariana Ramona Ciolac

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Marc A. Rosen

Faculty of Engineering and Applied Science, University of Ontario
Institute of Technology, Oshawa, ON L1G 0C5, Canada

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, RePEc, CAPIus / SciFinder, and other databases.

Journal Rank:

JCR - Q2 (Environmental Studies) / CiteScore - Q1
(Geography, Planning and Development)
