

Special Issue

Sustainable Innovation and Management for Green Hotels

Message from the Guest Editors

The Special Issue is open to multidisciplinary approaches and welcomes studies from diverse geographical contexts—including both mature markets and developing tourism destinations—offering global insights into the drivers, barriers, and impacts of sustainable innovation in hotel management. In this Special Issue, original research articles and reviews are welcome. Research areas may include (but not limited to) the following:

- green hotels
- sustainable innovation
- environmental management in hospitality
- green technologies
- hotel sustainability certification
- sustainable service design
- eco-friendly operations
- digital transformation in hotels
- green human resource management
- sustainable customer experience

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Steve W. Lyon

School of Environment and Natural Resources, Ohio State University,
Columbus, OH 43210, USA
