

Special Issue

Sustainable Corporate Governance in Business and Management

Message from the Guest Editors

We invite scholars, researchers, and practitioners in the field of business and management to contribute their research and ideas on sustainable corporate governance. We aim to collect diverse perspectives and insights that advance our understanding of sustainable corporate governance and its implications for business and society. In this Special Issue, original research articles and reviews are welcome. Research areas may include (but are not limited to) the following:

- The role of corporate governance in promoting sustainability;
- The impact of sustainability on corporate governance practices;
- The challenges of implementing sustainable corporate governance in different industries and contexts;
- The role of boards, executives, and investors in promoting sustainable governance practices;
- The effectiveness of sustainable corporate governance in achieving long-term value creation;
- The relationship between sustainable corporate governance and financial performance.

We look forward to receiving your contributions.

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief
