

Special Issue

Advanced Construction and Architecture 2020

Message from the Guest Editor

The Faculty of Civil Engineering and Architecture of Kaunas University of Technology would like to invite you to participate in the first international conference Advanced Construction and Architecture 2020 (ACA 2020) (<https://aca2020.ktu.edu/>), co-organized with Riga Technical University and Tallinn University of Technology. Ten selected studies submitted to ACA 2020 will be invited to publish a full paper in a Special Issue of *Sustainability*. Kaunas looks forward to hosting you in September 2020. For further reading, please visit the [Special Issue Website](#).

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Steve W. Lyon

School of Environment and Natural Resources, Ohio State University,
Columbus, OH 43210, USA

Author Benefits
