# **Special Issue**

# Agricultural Environment and Rural Economy, Policy and Sustainable Development

# Message from the Guest Editors

In this special issue the contributions that may help to analyse the impact of these new trends in economy, society and environment will be welcomed. Submissions could be related, but not restricted to the following topics: - Agricultural policies. - Rural development. - Local and global markets. - New technologies in agriculture and environment. - International trading. - Agrifood marketing. We would be pleased if researchers from different disciplines such as economics, management, business, marketing, sociology, statistics and others were willing to send us their contributions.

# **About the Journal**

# Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

## Editor-in-Chief

Prof. Dr. Steve W. Lyon

School of Environment and Natural Resources, Ohio State University, Columbus, OH 43210, USA
