

Special Issue

The Impact of Audio-Visual Content on Sustainable Consumer Behavior

Message from the Guest Editors

This Special Issue will address studies on the role of audiovisual content in the sustainable behavior of online consumers in the current scenario. Sustainable consumer behavior encompasses the reasons and ways in which consumers incorporate sustainability issues into their day-to-day life. Conceptual and empirical studies oriented, among other subjects, to the following topics are welcome:

- Sustainable consumer behavior in response to audiovisual content on social networks
- Buying behavior in social networks with an emphasis on sustainability.
- Creation of sustainable brand value by audiovisual content
- Social media ads
- Social media marketing activities
- Innovative forms of customer segmentation based on sustainability
- Analysis of consumer behavior online with cutting-edge techniques

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Marc A. Rosen

Faculty of Engineering and Applied Science, University of Ontario
Institute of Technology, Oshawa, ON L1G 0C5, Canada

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.
