Editorial Board Members' Collection Series: Offshore Wind Turbine

Message from the Guest Editors

We are pleased to announce the Special Issue entitled “Editorial Board Members’ Collection Series: Offshore Wind Turbine” which will collect papers from authors invited by the Editorial Board Members. The aim of this Issue is to provide a venue for networking and communication between *Sustainability* and scholars in the field of offshore wind turbines. All papers will be fully open access upon publication after undergoing a peer-review. We look forward to receiving your contributions.

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.
