

Special Issue

Pathways to Sustainable Transportation Systems: Challenges and Opportunities

Message from the Guest Editors

In this Special Issue, original research articles and reviews are welcome. Research areas may include (but not limited to) the following:

- Policy frameworks and governance models for sustainable transportation
- Technological innovations and smart mobility solutions
- Behavioral science approaches to promoting sustainable mobility
- Equity, accessibility, and inclusivity in transportation systems
- Community-led initiatives and participatory approaches
- Environmental impacts and climate resilience in transportation planning
- Urban design and planning for sustainable mobility
- Case studies of successful sustainable transport initiatives
- Social equity in access to sustainable transport
- Integration of renewable energy in transportation
- Case studies of successful implementations in various global contexts
- Future perspectives and theoretical advancements

Guest Editors

Dr. Maria Papadakaki

Dr. Georgia Tzamalouka

Prof. Dr. Joannes Chliaoutakis

Deadline for manuscript submissions

16 November 2025

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Marc A. Rosen

Faculty of Engineering and Applied Science, University of Ontario
Institute of Technology, Oshawa, ON L1G 0C5, Canada

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, RePEc, CAPIus / SciFinder, and other databases.

Journal Rank:

JCR - Q2 (Environmental Studies) / CiteScore - Q1
(Geography, Planning and Development)
