# Editorial Board Members' Collection Series: From Waste to Energy

### Message from the Guest Editors

We are pleased to announce this collection entitled "Editorial Board Members' Collection Series: From Waste to Energy", which will collect papers invited by the Editorial Board Members. The aim of this Collection is to provide a venue for networking and communication between *Sustainability* and scholars in the field of waste and recycling. All papers will be fully open access upon publication after peer review. We look forward to receiving your contributions.

# About the Journal

## Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.
