# **Special Issue**

## Sustainable Building Renovation

## Message from the Guest Editor

Setting objective and evaluating results of SBR:

- What are relevant objectives for SBR?
- When and how should the objectives for SBR be evaluated?
- Who should make and be involved in decision-making and evaluation of SBR?
- How to differentiate SBR objectives and results, for instance between output/outcome/added value, short/medium/long term or operational/tactical/strategic?
- How can results of evaluations be utilized in other SBR projects?

How can the process of CBR be enhanced?

- How can the value chain of SBR be improved?
- What new forms of tendering can improve the SBR process?
- What is the possible impact on SBR of new technologies like Virtual Digital Constructions, 3Dprinting, Sensors, Drones, Industry 4.0, etc.?
- Is disruptive innovation relevant for SBR?
- What are the most promising cases for enhanced SBR processes?

## **About the Journal**

## Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

## Editor-in-Chief

#### Prof. Dr. Marc A. Rosen

Faculty of Engineering and Applied Science, University of Ontario Institute of Technology, Oshawa, ON L1G OC5, Canada

### **Author Benefits**

### **Open Access:**

free for readers, with article processing charges (APC) paid by authors or their institutions.

### **High Visibility:**

indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, RePEc, CAPlus / SciFinder, and other databases.

### **Journal Rank:**

JCR - Q2 (Environmental Studies) / CiteScore - Q1 (Geography, Planning and Development)
