

## Special Issue

# Business Model Innovation and Sustainable Consumption

### Message from the Guest Editor

Our research focus could be one of the following topics:

- Sustainable production, service design, or consumption.
- Sustainable management on environment, business, or organization.
- Sustainability on corporate social responsibility (CSR).
- Sustainability on culture and/or Innovation.
- Sustainability on tourism, hospitality or leisure.
- Innovation method or model development on sustainability.
- Other sustainable issues.

The welcome contributions from researchers and practitioners from around the world to contribute manuscripts for this special issue.

## About the Journal

### Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.
