

Special Issue

Business Model Innovation and Sustainable Consumption

Message from the Guest Editor

Our research focus could be one of the following topics:

- Sustainable production, service design, or consumption.
- Sustainable management on environment, business, or organization.
- Sustainability on corporate social responsibility (CSR).
- Sustainability on culture and/or Innovation.
- Sustainability on tourism, hospitality or leisure.
- Innovation method or model development on sustainability.
- Other sustainable issues.

The welcome contributions from researchers and practitioners from around the world to contribute manuscripts for this special issue.

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Steve W. Lyon

School of Environment and Natural Resources, Ohio State University,
Columbus, OH 43210, USA
