# **Special Issue**

# Smart Manufacturing and Lean Sustainability in the Era of Industry 4.0

# Message from the Guest Editor

In this special issue, the following topics of papers are welcome:

- The development of Industry 4.0.
- From Industry 4.0 to smart manufacturing.
- The development of smart manufacturing.
- The critical success factors of smart manufacturing.
- The implementation of smart manufacturing based on lean production.
- The quality control of smart manufacturing.
- How to well implement sustainability based on the realization of lean production.
- The critical practices of smart manufacturing.
- The relations between smart manufacturing and sustainability.
- The implementation of sustainability.
- The critical success factors of the implementation of sustainability.
- The critical practices of the implementation of sustainability.
- The competitive advantages of smart manufacturing.
- The advantages and finicial benefits of the implementation of sustainability.

# **About the Journal**

## Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

## Editor-in-Chief

#### Prof. Dr. Marc A. Rosen

Faculty of Engineering and Applied Science, University of Ontario Institute of Technology, Oshawa, ON L1G OC5, Canada

### **Author Benefits**

### **Open Access:**

free for readers, with article processing charges (APC) paid by authors or their institutions.

### **High Visibility:**

indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, RePEc, CAPlus / SciFinder, and other databases.

### **Journal Rank:**

JCR - Q2 (Environmental Studies) / CiteScore - Q1 (Geography, Planning and Development)
