# **Special Issue**

# Smart Manufacturing and Lean Sustainability in the Era of Industry 4.0

# Message from the Guest Editor

In this special issue, the following topics of papers are welcome:

- The development of Industry 4.0.
- From Industry 4.0 to smart manufacturing.
- The development of smart manufacturing.
- The critical success factors of smart manufacturing.
- The implementation of smart manufacturing based on lean production.
- The quality control of smart manufacturing.
- How to well implement sustainability based on the realization of lean production.
- The critical practices of smart manufacturing.
- The relations between smart manufacturing and sustainability.
- The implementation of sustainability.
- The critical success factors of the implementation of sustainability.
- The critical practices of the implementation of sustainability.
- The competitive advantages of smart manufacturing.
- The advantages and finicial benefits of the implementation of sustainability.

# **About the Journal**

## Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

### Editor-in-Chief

Prof. Dr. Steve W. Lyon

School of Environment and Natural Resources, Ohio State University, Columbus, OH 43210, USA

#### **Author Benefits**

### Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

### **High Visibility:**

indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, RePEc, CAPlus / SciFinder, and other databases.

#### Journal Rank:

JCR - Q2 (Environmental Studies) / CiteScore - Q1 (Geography, Planning and Development)
