

Special Issue

Advances in Corporate Governance Mechanisms and Corporate Social Responsibility

Message from the Guest Editor

This Special Issue aims to advance the recent developments in our knowledge of the relationship between internal and external corporate governance mechanisms and CSR reporting. In this call for papers, we encourage researchers to submit papers about this topic conducted on developed countries, emerging countries, or in a broader context with several countries around the world. We welcome both review and original research papers for submission to this Special Issue.

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Marc A. Rosen

Faculty of Engineering and Applied Science, University of Ontario
Institute of Technology, Oshawa, ON L1G 0C5, Canada
