# **Special Issue**

# Advances in Corporate Governance Mechanisms and Corporate Social Responsibility

# Message from the Guest Editor

This Special Issue aims to advance the recent developments in our knowledge of the relationship between internal and external corporate governance mechanisms and CSR reporting. In this call for papers, we encourage researchers to submit papers about this topic conducted on developed countries, emerging countries, or in a broader context with several countries around the world. We welcome both review and original research papers for submission to this Special Issue.

# **About the Journal**

# Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

## Editor-in-Chief

Prof. Dr. Steve W. Lyon

School of Environment and Natural Resources, Ohio State University, Columbus, OH 43210, USA
