

Special Issue

Sustainable Tourism Development: Balancing Cultural Preservation and Economic Growth

Message from the Guest Editors

The scope of the Issue is to enrich the existing literature through qualitative and quantitative research studies addressing issues related to cultural preservation and economic growth, which are often considered conflicting goals in the tourism industry. The aim of this Issue is to explore key principles and practices of sustainable tourism, highlighting its importance in achieving a harmonious balance between economic growth and cultural preservation. We welcome submissions on topics including but not limited to:

- sustainable tourism development
- cultural preservation
- economic growth
- tangible and intangible heritage
- digital heritage
- cultural and creative industry
- community-based tourism

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Steve W. Lyon

School of Environment and Natural Resources, Ohio State University,
Columbus, OH 43210, USA
