

Special Issue

Ecosystem Services from Natural Resources Managed by the Indigenous Peoples and Local Communities

Message from the Guest Editor

This Special Issue seeks to highlight the contributions that IPLCs make to the wider global community for better recognition and support for their efforts. We invite articles addressing the following:

IPLCs land/water/sea management and related ecosystem services (ES);

Case studies on Payments for ES (PES) of IPLCs' managed natural resources;

Stewardship mechanisms (reviews/comments);

ES from agricultural lands managed by the small-scale farmers;

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.
