

Special Issue

Environmental and Behavioral Consequences of Interventions for Sustainable Travel

Message from the Guest Editors

We are organizing a Special Issue on “Environmental and Behavioral Consequences of Interventions for Sustainable Travel” in the *Sustainable Transportation* section of the journal *Sustainability*. The venue is a peer-reviewed, open-access scientific journal that publishes articles and communications in the interdisciplinary area of environmental, cultural, economic, and social sustainability of human beings. For detailed information on the journal, we refer you to <http://www.mdpi.com/journal/sustainability>.

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Steve W. Lyon

School of Environment and Natural Resources, Ohio State University,
Columbus, OH 43210, USA
