

Special Issue

Exploring the Influence of ESG Factors on Environmental Investments for Sustainable Development

Message from the Guest Editors

This Special Issue aims to combine these two main directions, proposing or collecting methods, practices and experiences related to the assessment or measurement of the sustainable impact of investments made by companies with a view of pursuing the three ESG pillars.

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Steve W. Lyon

School of Environment and Natural Resources, Ohio State University,
Columbus, OH 43210, USA
