

Special Issue

Sustainable Food Systems and Food Safety

Message from the Guest Editors

We invite the submission of articles and reviews for the following topics:

- Food systems development based on sustainable practices and innovative technologies throughout all stages of food chain supply: food production (agriculture/aquaculture), food processing (fresh/heated/frozen) and food packing (biodegradable/recycled).
- Food management strategies to improve the quality control and guarantee the safety of foods from sustainable systems during the production, harvest, processing, storage and transport.
- Analytical methods development and application to analysis of pathogens, metals, toxins, pesticides, food additives, preservatives, physical hazards and spoilage during the food chain supply of sustainable systems.

Keywords

- food sustainable systems
- food safety
- food chain supply
- analytical methods

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Marc A. Rosen

Faculty of Engineering and Applied Science, University of Ontario
Institute of Technology, Oshawa, ON L1G 0C5, Canada

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, RePEc, CAPIus / SciFinder, and other databases.

Journal Rank:

JCR - Q2 (Environmental Studies) / CiteScore - Q1
(Geography, Planning and Development)
