

## Special Issue

# Fungal Diversity and Sustainability

### Message from the Guest Editor

This Special Issue of Sustainability focuses on fungal diversity and functions in various environments from natural ecosystems to human-related environments. We encourage all type of studies such as comprehensive reviews, case studies, or research articles. Some of the potential topics include:

- Fungal diversity in various environments (e.g. soil, rhizosphere, bio-aerosol, marine ecosystem, and animal gut)
- Environmental drivers associated with diversity and species assembly patterns
- Anthropogenic impacts on fungal diversity
- The response of fungal physiology or functions following environmental changes
- Enzyme activity
- Function and ecosystem service
- Bioremediation and degradation of pollutions and wastes
- Bio-monitoring and survey methods

---

## About the Journal

### Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

---

### Editor-in-Chief

Prof. Dr. Steve W. Lyon

School of Environment and Natural Resources, Ohio State University,  
Columbus, OH 43210, USA

### Author Benefits

#### Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

#### High Visibility:

indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, RePEc, CAPlus / SciFinder, and other databases.

#### Journal Rank:

JCR - Q2 (Environmental Studies) / CiteScore - Q1  
(Geography, Planning and Development)
