

Special Issue

Gender Diversity Across Entrepreneurial Leadership in Hospitality

Message from the Guest Editors

This call for papers aims to present to present the framework of gender diversity integrated in the entrepreneurial activities within the world of hospitality through the collection of comprehensive articles. These articles will be based on the introduction of new approaches, point of views, visions, methods, and the development of methodologies. Thus, the research path will fall into the development and verification of the role of gender diversity, i.e., the presentation of women, in the entrepreneurial leadership concept within the hospitality industry, followed by research and surveys related to women's entrepreneurship, gender diversity, entrepreneurial activity, hospitality, and leadership. This issue will request articles following interdisciplinary approaches, which vary with different elements, such as hospitality, leadership, gender diversity, entrepreneurship, etc. with the introduction of related examples. Thus, the aim is to establish and elaborate on the role of women entrepreneurs' leadership in hospitality.

Guest Editors

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief
