

Special Issue

Construction Management and Sustainable Development

Message from the Guest Editors

We invite original research articles and critical reviews on “Construction Management and Sustainable Development” topics that are related (but not limited) to the following:

- Sustainable construction management strategies (eco-friendly and traditional);
- Sustainable life-cycle project management techniques;
- Cost-benefit analysis of sustainable constructions;
- Project cost management for sustainable constructions;
- Project risk assessment for sustainable constructions;
- Resilient construction projects;
- Life-cycle assessment of sustainable construction management;
- Sustainable construction materials and technologies;
- Sustainable construction equipment management;
- Digitalization, smart technologies, and IoT in sustainable construction;
- Lean construction and sustainability;
- Energy efficiency in construction and building operations;
- Social and economic aspects of sustainable constructions;
- Smart building technologies;
- Circular economy.

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Marc A. Rosen

Faculty of Engineering and Applied Science, University of Ontario
Institute of Technology, Oshawa, ON L1G 0C5, Canada

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, RePEc, CAPIus / SciFinder, and other databases.

Journal Rank:

JCR - Q2 (Environmental Studies) / CiteScore - Q1
(Geography, Planning and Development)
