# **Special Issue**

# Biomass Energy Usage for Sustainable Development

### Message from the Guest Editors

This Special Issue focuses on the utilization of biomass energy as a means of promoting sustainable development that spans across developed and developing countries and fosters a greener future. Original research articles and reviews are welcome for this Special Issue. Research areas may include, but are not limited to the following:

- Sustainable forests energy.
- Renewable biomass energy.
- Biomass fuel briquettes.
- Biomass energy and community livelihoods.
- Public health and biomass energy.
- Biomass and circular bioeconomy.
- Efficient and sustainable biomass supply chain.
- Technological advancements in biomass conversion processes.
- Policy frameworks for biomass energy systems.
- Environmental and social impacts of biomass production and utilization.
- Challenges and opportunities associated with biomass energy usage.

We look forward to your valuable contributions to this Special Issue.

## **About the Journal**

### Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

### Editor-in-Chief

Prof. Dr. Steve W. Lyon

School of Environment and Natural Resources, Ohio State University, Columbus, OH 43210, USA

#### **Author Benefits**

### Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

### **High Visibility:**

indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, RePEc, CAPlus / SciFinder, and other databases.

#### Journal Rank:

JCR - Q2 (Environmental Studies) / CiteScore - Q1 (Geography, Planning and Development)
