

## Special Issue

# Urban Planning and Built Environment

### Message from the Guest Editor

Topics of interest for publication include but are not limited to:

- Ecological low-carbon planning;
- Green and low-carbon built environment;
- Artificial intelligence algorithms;
- Digital built environment;
- Ecological restoration planning;
- Conservation and regeneration of historic buildings;
- Conservation and utilization of classical gardens.

In this Special Issue, original research articles and reviews are welcome. Research areas may include (but not limited to) the following:

- Sustainable urban planning and design;
- Green building design;
- Building energy efficiency;
- Artificial intelligence architecture;
- Built heritage protection;
- The relative algorithm in AI architecture;
- Innovation techniques for green building;
- Building new energy utilization.

## About the Journal

### Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

---

### Editor-in-Chief

Prof. Dr. Marc A. Rosen

Faculty of Engineering and Applied Science, University of Ontario  
Institute of Technology, Oshawa, ON L1G 0C5, Canada

### Author Benefits

#### Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

#### High Visibility:

indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, RePEc, CAPIus / SciFinder, and other databases.

#### Journal Rank:

JCR - Q2 (Environmental Studies) / CiteScore - Q1  
(Geography, Planning and Development)
