Special Issue

Knowledge Management and Social Capital/Value for Sustainability

Message from the Guest Editor

Knowledge management promotes multidisciplinary and interdisciplinary research, exploiting contributions from Social Sciences, Information Systems research, as well as Education and Psychology domains. It serves as a holistic approach to the exploitation of structured and unstructured knowledge residing in digitized systems, human minds, and social assemblies. The latest developments in sophisticated, distributed information systems for Big Data management also set new challenges Toward this end, the of this Special Issue seek papers that address, but are not limited to, the following issues and aspects related to the diverse aspects of Sustainable Data Science research:

- Knowledge Management Topics
- Social Impact and Social Value Topics
- R&D Projects Dissemination

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Marc A. Rosen

Faculty of Engineering and Applied Science, University of Ontario Institute of Technology, Oshawa, ON L1G OC5, Canada

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, RePEc, CAPlus / SciFinder, and other databases.

Journal Rank:

JCR - Q2 (Environmental Studies) / CiteScore - Q1 (Geography, Planning and Development)
