# Tourist Satisfaction, Sustainability, and Sustainable Tourism Development: Second Edition

### Message from the Guest Editor

Tourism and hospitality businesses are going through more volatile, uncertain, complex, and ambiguous environmental conditions than ever before. Hence, ensuring customer satisfaction and sustainability has become a more challenging task for tourism and hospitality businesses. This call for papers aims to bring together relevant, original, and interdisciplinary contributions to the topic from a dyadic and interdisciplinary perspectives.

Theoretical and empirical original research papers, review papers, and conceptual papers form both marketing (marketing, consumer behaviour, and service marketing) and management (management, organisational behaviour, and human resource management) perspectives are welcome.

## **About the Journal**

### Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

### Editor-in-Chief

Prof. Dr. Steve W. Lyon

School of Environment and Natural Resources, Ohio State University, Columbus, OH 43210, USA
