## **Special Issue**

# Sustainable Mobility and Transport

## Message from the Guest Editors

This Special Issue (SI) explores academic, conceptual, methodological, or application-based research work conducted across the globe, with a strong connection to technological development and/or the analysis of mobility/transportation projects. Suitable topics include but are not limited to: \* Integration of spatial analysis and sustainability in transport and mobility \* Regional and urban case studies of transport \* Epistemological considerations for transferable information in mobility \* Economics of transport and mobility \* Cities as hubs of connectivity: ports, terminals, hot-spots \* Urban-rural dichotomies and digitalization \* Experimental analyses of eco-efficient transport \* Comparative studies of transport emissions \* Transport geography \* Local lessons of smart mobility \* Policy studies of mobility and transport \* Social aspects of movement with respect to digitalization

## **About the Journal**

## Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

#### Editor-in-Chief

Prof. Dr. Steve W. Lyon

School of Environment and Natural Resources, Ohio State University, Columbus, OH 43210, USA

#### **Author Benefits**

## Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

## **High Visibility:**

indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, RePEc, CAPlus / SciFinder, and other databases.

#### Journal Rank:

JCR - Q2 (Environmental Studies) / CiteScore - Q1 (Geography, Planning and Development)
