

Special Issue

Moving toward Sustainability: Rethinking Gender Structures in Education and Occupation Systems

Message from the Guest Editors

The open access journal *Sustainability* (ISSN2071-1050) is pleased to announce its plan to publish a Special Issue on “Moving toward Sustainability: Rethinking Gender Structures in Education and Occupation Systems.” Sustainability requires ending discrimination based on gender and providing equal opportunities for education and employment. For this Special Issue we invite original research papers on the topic of “Moving Toward Sustainability: Rethinking Gender Structures in Education and Occupation Systems” from a wide range of perspectives, disciplines, methodologies, and countries. We encourage original research papers that examine the effects of gender structures but also provide initiatives to reverse gender inequalities and promote sustainability.

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief
